3. Project Background:

VSS MC & HOSPITAL, Burla :

Burla is a town and a notified area committee in Sambalpur District in the state of Odisha, India. It is a small town on the banks of Mahanadi, and is 14 kilometers from Sambalpur. The communication for this town is excellent. One can reach this place by road with NH-6 from Sambalpur or Bargarh which is one of the more busier trunk routes in India (currently being converted into two-way) as it connects central India to Kolkata. And by train Hiraikud station, which is at one end of the town and a walking distance from the Mahanadi Coal Limited (MCL).

Burla is located at 21.5°N 83.87°E.^[1] It has an average elevation of 173 metres (567 feet). The town lies at one end of Hiraikud Dam which is located around 2 km west of the town. The Jawahar Minar offers picturesque views of the dam, the lake and the surrounding forests of Barapahad (12 hills). At the otherside of the dam is the township of Hiraikud.

Burla is situated in a half an hour distance from Sambalpur and 2 hours distance from Bargarh, which are connected by NH-6. Though a small town, it houses three leading institutions of Odisha: Sambalpur University and the Institute of Information technology (SUIIT), VSS Medical College and VSSUT (formerly called University College of Engineering-UCE). The town is horse-shoe shaped with an artificial lake in the middle and NH6 traversing through one end. The town centre is small and is divided into 'Kaccha Market' and 'Pukka Market' and hosts numerous small stores and stalls, which are mostly family based small business enterprises. The famous grocery stores are the 'Choudhry's' the 'Sindhi's', the 'Acharya's' and some famous wholesale stores like Narayan Saha's (For Poultry), Raghunath Agrawal (Pan Masala) and lots more. And the old world charm of 'Rambharose' snack joint serving hot samosas and jalebis underneath the banyan tree in the 'Kaccha Market' typically evokes the images of R K Narayan fictitious Malgudi. The town is bestowed with natural surrounding and beautiful jungle. The main dialect of people is Sambalpuri . Famous author Ravinder Singh is a native of Burla. Achutam is a native of Burla.

As of 2001 India census, Burla had a population of 39,188. Males constitute 52% of the population and females 48%. Burla has an average literacy rate of 74%, higher than the national average of 59.5%; with male literacy of 81% and female literacy of 66%. 11% of the population is under 6 years of age.

The town's economy is driven by education, medicine, civil engineering, and electrical engineering. Veer Surendra Sai Medical College is the largest hospital in Western Odisha. Veer Surendra Sai University of Technology is the oldest engineering college in Odisha. Sambalpur University is one of the three oldest Universities in Odisha, the other two being Utkal University and Berhampur University. All these institutes of higher learning make Burla a top-tier destination for thousands of students every academic year.

The Hirakud Dam, which is the longest earthen dam in the world, caters to the hydro-electric power generation needs of the State. Numerous civil and electrical engineers reside in Burla. The town also headquarters Mahanadi Coal Fields Ltd., a subsidiary of Coal India Limited.

The town is piquant and truly a university town as it hosts the Sambalpur University, the VSS Medical College and the Veer Surendra Sai University of Technology, Burla, besides numerous schools and colleges, thus the student population at the height of academic year is sizable. All three centres for higher learning have their own auditorium which are well equipped.

Sambalpur University is one of the older universities in the State and has numerous colleges under its jurisdiction. The 'University' as it is popularly known in the region has a magnificent campus within the rolling hills and is a community in itself. The university is popularly known as Jyoti Vihar the main tag line of the university is "SA Vidya Ja Vimuktaye" the meaning of the sentence is "That is education which liberate". The VSS Medical College is one of the premier medical colleges of the state and is centrally located in the town. It houses the ICMR Malaria Research Centre.

University College of Engineering (UCE), is one of the oldest & finest Engineering Colleges in India. It celebrated its golden jubilee in 2006. A bill was passed in the State Assembly to make it a State Unitary University and it has been renamed as Veer Surendra Sai University of Technology. Notably this college has been a vast source for intellectual capital in Engineering Sector, both Public & Private.

The higher secondary (10+2) education is imparted by the Burla NAC College, the University Higher Secondary College and the DAV Public School. The town has numerous schools. The Burla Boys High School, the Burla Girls High School, the DAV, the Sathya Sai School, the University High School, Sri Aurobindo School, Saraswati Shisu Mandir, and the Officer's Colony upper primary (UP) and middle schools are prominent.

Various inter-institutional activities are organized among the educational institutions that enhance academic experience of members of the institutions in Burla. Burla has a thriving sports culture with several local cricket, football and badminton teams including those from the University, Medical College and the Engineering University. Annual sport tournaments are regular feature of the community.

Burla is situated on the banks of river Mahanadi and is surrounded by mountains and verdant forests making the town very picturesque and green. The large lake created by the Hirakud Dam attracts various bird species in the winter months and the surrounding forests also have wildlife such as hyenas, elephants, leopards and deers. In summer, temperatures reach 47 degrees celsius and in winter they can go as low as 5 degrees celsius. The natural beauty of the jungles, river bed and dam itself attract thousand of tourist to the town every year. During winter many of the Siberian birds come to Hirakud Dam which is the largest Soil check Dam in World. Many birdwatcher and animal lovers comes to Dam to experience natural beauty.

Need of the Project

At present there is no sewerage disposal system of VSS MC & Hospital, Burla expect look at Sewage Treatment through septic tank & in most of the cases through leach-pit. The septic tanks of each unit of VSS MC & Hospital were constructed during last 30 – 50 years back. Which have been damaged, non functional due to water locked and the Sewerage System of VSS MC & Hospital and its adjoining area are in a depilated condition and in a most in hygienic condition. In the mean time the VSS MCH is expanding & many new departments have been growing up. Doctors and staffs are also increasing day by day & the patients both indoor and out door have been increased to many folds. The Govt. has been pleased to declare the VSS MCH as an University and it is biggest Hospital & Medical College of Weston Odisha and neighboring state Chhattisgarh. Many new multi storied buildings has been constructed and under construction & there is no sufficient space for construction of individual septic tank, soak pit and disposal of the sewage. In order to make the premises a better hygienic and pollution free area the integrated sewerage system of VSS MCH and its adjoining area is inevitable.

2.5 Modification:

Modification of the terms and conditions of this Contract including any modification of the scope of the services may only be made by written agreement between the parties. Pursuant to Clause-CC.7.2 hereof, however, each party shall give due consideration to any proposals for modification made by the other party.

2.6.1 Definition:

- a) For the purpose of this contract, "Force Majeure" means an event which is beyond the reasonable control of a party, and which makes a party's performance of its obligations hereunder impossible or so impractical as reasonable to be considered impossible in the circumstances, and includes but is not limited to war, riots, civil disorder, earthquake, fire explosion, storm, flood or other weather conditions, strikes, lockouts or other industrial action (except where such strikes, lockouts or other industrial action are within the power of the party invoking Force Majeure to prevent), confiscation or any other action by government agencies.
- b) **Force Majeure shall not include:**
- 1) any event which is caused by the negligence or intentional action of a party or such party's agents or employees, nor
 - 2) any event which a diligent party could reasonably have been expected to both (a) take into account at the time of the conclusion of this contract and (b) avoid or overcome in the carrying out of its obligations hereunder.
 - 3) Force Majeure shall not include insufficiency of funds or failure to make any payment required hereunder.

2.6.2 No Breach of Contract:

The failure of a party to fulfill any of its obligations hereunder shall not be considered to be a breach of or default under this contract in so far as such inability arises from an event of Force Majeure, provided that the party affected by such an event has taken all reasonable alternative measure, all with the objective of carrying out the terms and conditions of this contract.

2.6.3 Measures to be taken:

- a. A Party affected by an event of Force Majeure shall take all reasonable measures to remove such party's inability to fulfill its obligations hereunder with a minimum of delay.

- b. A Party affected by an event of Force Majeure shall notify the other party of such event as soon as possible and in any event not later than fourteen (14) days following the occurrence of such event, providing evidence of the nature and case of such event, and shall similarly give notice of the restoration of normal conditions as soon as possible.
- c. The parties shall take all reasonable measures to minimize the consequences of an event of Force Majeure.

2.6.4 Extension of time:

Any period within a party shall, pursuant to this contract, complete any action or task shall be extended for a period equal to the time during which such party was unable to perform such action as a result of Force Majeure. If for some other reason, the agency has exceeded the time schedule which necessitate an extension of time, he shall apply in writing to the **Executive Engineer, P.H. Division, Sambalpur** through the Assistant Executive Engineer who shall recommend to the competent authority if reasonable grounds be shown. The extension time shall be applied for and obtained prior to the expiry of the original contract period. In such case, the agency shall not claim either for exemption from the fine leviable under Clause-8 of conditions of contract or escalation of contract value.

2.6.5 Consultation:

2.6.6. Security Deposit:

The Agency whose RFP is selected for acceptance shall make an Initial Security Deposit (ISD) of 2% (two percent) of the accepted bidder amount less the earnest money earlier deposited along with bid (i.e., 2 % of Accepted bid value – (minus) EMD deposited) and sign the agreement in the prescribed form within 15 (fifteen) days from the issue of letter of Acceptance (LoA). The **Executive Engineer, P.H. Division, Sambalpur** shall accept the initial security deposit in the specified form to be drawn in favour of Assistant Executive Engineer, P.H. Sub-Division, **Burla**. The initial security deposit together with the earnest money & the amount with held according to the provision of the contract shall be retained as Security Deposit for the due fulfillment of the agreement. Failure to enter in to the required agreement and to make the initial security deposit as above within the specified time shall entail forfeiture of the Earnest money and rejection of the bid.

Security Deposit shall also be forfeited for non-compliance of relevant clauses mentioned else where in this RFP.

The total amount of security money deposited by the agency shall be 7% (seven percent) of the accepted bid amount. The balance security amount will be made up by deducting 5% (five percent) from the gross amount of payment.

The security deposit will be considered for refund to the agency after 3(three) months of the final approval of the Detailed project report for execution.

2.7 Suspension:

The employer may by written notice of suspension to the agencies suspend all payments to the agencies hereunder if the agencies fail to perform any of their obligations under this contract, including the carrying out of the services, provided that such notice of suspension shall

- (i) specify the nature of the failure and
- (ii) request the agencies to remedy such failure within a period not exceeding thirty (30) days after receipt by the agencies of such notice or suspension.

2.8 Termination:

2.8.1 By the employer:

The employer may give not less than thirty (30) days written notice of termination to the agencies (except in the events listed in Para (e) below, for which there shall be a written notice of not less than sixty (60) days) such notice to be given after the occurrence of any of the events specified in paragraph (a) through (d) of this Clause 2.8.1 to terminate this contract.

- a) If the agency fails to remedy a failure in the performance of their obligations hereunder, as specified in a notice of suspension pursuant to Clause CC 2.7 herein above within thirty (30) days of receipt of such notice of suspension or within such further period as the client may have subsequently approved in writing.
- b) If the agency becomes insolvent or bankrupt or enters into any agreements with their creditors for relief of debt or take advantage of any law for the benefit of debtors or go into liquidation or receivership whether compulsory or voluntary;
- c) If the agency submits to the employer a false statement which has a material effect on the rights obligations or interests of the employer and which the agencies knowingly raised.

- d) If, as a result of Force Majeure, the agencies are unable to perform a material portion of the services for a period of not less than sixty (60) days or;
- e) If the employer, in its sole discretion and for any reason whatsoever, decided to terminate this contract.

2.8.2 By the agencies:

The agency may, by not less than thirty (30) day's written notice to the employer, such notice to be given after the occurrence of any of the events specified in paragraphs (i) and (ii) of this Clause CC 2.8.2, terminate this contract.

- i) if the employer is in material breaches of its obligations pursuant to this contract and has not remedied the same within forty five (45) days (or such longer period as the agencies may have subsequently approved in writing) following the receipt by the employer of the agencies notice specifying such breach.
- ii) if, as a result of Force Majeure, the agencies are unable to perform a material portion of the services for a period of not less than sixty (60) days.

2.8.3 (a) Cessation of Rights and Obligations:

Upon termination of this contract pursuant to Clauses CC2.2 or 2.8 hereof, or upon expiry of this contract pursuant to clause CC 2.3 hereof all rights and obligations of the parties hereunder shall cease, except;

- i) Such rights and obligations as may have accrued on the date of termination or expiration;
- ii) the obligation of confidentiality set forth in Clause CC 3.3 hereof;
- iii) any rights which a party may have under the applicable law.

2.8.3 (b) Cessation of Services:

Upon termination of this contract by notice of either party to the other pursuant to Clauses 2.8.1 or 2.8.2 hereof the agencies shall immediately upon dispatch or receipt of such notice take all necessary steps to bring the services to a close in a prompt and orderly manner and shall make every reasonable effort to keep expenditure for this purpose to a minimum. With respect to documents prepared by the agencies, the agencies shall proceed as provided, respectively, by Clauses CC 3.3 hereof.

2.8.4 Payment upon Termination

Upon termination of this contract pursuant to Clause CC 2.8.1 or 2.8.2 hereof, the employer shall make the following payments to the agencies (after offsetting against these payments any amount that may be due from the agency to the employer).
